MEET CONDUCT

FORMAT

This meet will be run in Modified Championship Meet Format with Preliminaries, Consolation Finals, and Finals for the 11-12 and 13-14 age groups in individual events 200 yards or shorter.

All 10 & Under events, relays, and individual events 400 yards and longer will be contested as timed final.

The 11-12 and 13-14 individual and relay events contested as timed final with competition split between preliminaries and finals will have the top 8 seeded entrants competing in the finals session and the remaining entrants competing in the preliminary session. Any swimmer or relay team seeded in the top 8 who wishes to swim in the preliminary session can declare for a preliminary swim at the Clerk of Course by the applicable scratch deadline.

Fly-over starts will be used in the preliminary sessions.

Backstroke ledges will be available in both preliminary and final sessions. It is the responsibility of the coaches and swimmers to know how to properly operate the ledges, including locking the ledges in place and proper foot placement on the ledge and pad. Officials and timers will not assist with the use of the ledges.

Distance event swimmers must provide their own lap counter. Lap counters that do not have deck access credentials for the meet must check-in and check-out with the volunteer coordinator to receive a temporary deck credential. Check-in is available 15 minutes prior to the scheduled start of the heat in which the swimmer will compete. These counters must sign in and sign out at the deck entrance security table.

A 12-15 minute courtesy rest between an athlete's heats (no events) shall be given for swimmers in consecutive events. Requests for the courtesy rest must be made by the coach or swimmer to the meet referee prior to the swimmer's first of the consecutive events.

RULES

The meet will be conducted in accordance with USA Swimming and Indiana Swimming rules and regulations.

PRE-SCRATCH PSYCH SHEETS AND TIMELINES

Pre-scratch psych sheets and timelines for preliminary sessions will be posted on the Spring Championships page at www.inswimming.org on Wednesday, March 13. The posted documents are for general planning purposes only. Seeding and actual meet session timelines may vary from what is posted due to scratches and late entries. Athlete and coaches are responsible for adhering to all meet deadlines and competition/event starting times.

WARM-UP PROCEDURES

The warm-up for the preliminary sessions will be split into two 30 minute sessions. Teams will be assigned to either warm-up group 1 or warm-up group 2. Group 1 will have the first warm-up on days 1 and 3 and the second warm up on day 2. Group two will have the second warm up on days 1 and 3 and the first warm up on day 2. Following the split warm-up period, there will be a 20 minute open session where one competition pool will be reserved for pace and starts (pace in lanes 1 and 8 and starts in lanes 2-6) with the remaining lanes in the competition pool and diving well open for general warm-up. Warm-up groups will be announced by the virtual coach's meeting on Wednesday, March 13.

DAY	GROUP 1	GROUP 2	OPEN SESSION
FRIDAY	9:00-9:30 AM	9:30-10:00 AM	10:00-10:20 AM
SATURDAY	8:00-8:30 AM	7:30-8:00 AM	8:30-8:50 AM
SUNDAY	7:30-8:00 AM	8:00-8:30 AM	8:30-8:50 AM

Marshals will be monitoring and enforcing warm-up procedures.

SEEDING

All events, including distance, will be seeded yards times first, followed by long course meters and then short course meters (Y-L-S). Times must be submitted in the course in which they were swum and may not be converted.

In individual events other than the 1000 and 1650 Freestyles, the swimmer is assumed to be swimming unless he/she has been scratched by the applicable scratch deadline.

Swimmers entered in the 1000 and 1650 Freestyles must positively check in with the Clerk of Course before the applicable scratch deadline to be seeded into the event. At check-in, swimmers may declare their preference to swim in the preliminary heats. Individuals failing to check-in may present themselves to the Meet Referee or his/her designee requesting to swim and may be placed only as there are existing open lanes in the slowest heat per gender.

Preliminary heats for individual events in which prelims and finals will be contested will be swum slowest to fastest with the last 3 heats circle seeded.

After the psych sheet is published to the ISI website on Wednesday, March 13, any swimmer or relay team entering a timed final event as a late entry shall not be seeded into the top 8 of the event. The swimmer/team will be seeded by their entry time, but no higher than 9th place.

SCRATCH PROCEDURES

National scratch procedures, USA Swimming rule 207.11.6, will be observed. Additions and modifications are noted below.

Scratching from Preliminary Heats

All scratches for individual events, regardless of reason, must be made at the scratch table by the applicable deadlines.

- Friday Preliminary events – one hour prior to the start of the Friday Preliminary session.
- Friday 10 & Under events – one hour prior to the start of the Friday Finals session.
- Saturday Preliminary events – 30 minutes after the start of the Friday Finals session.
- Saturday 10 & Under events – one hour prior to the start of the Saturday 10 & Under session.
- Sunday Preliminary events – 30 minutes after the start of the Saturday finals session.
- Sunday 10 & Under events – one hour prior to the start of the Sunday 10 & Under session.

In all individual preliminary heats and timed final events for the 11-12 and 13-14 age groups, after the heats have been seeded, any swimmer who fails to compete in an event in which they are seeded will be barred from all further individual events that day. This does not bar an individual who has qualified earlier in the session for a Consolation or Championship Final from competing in that Final, nor from competing in relays that day. The application of this penalty shall pertain to the order in which the event/heats are contested, not the numerical order of the events. Additionally, the swimmer shall be required to declare their intent to compete on subsequent days with the Administrative Referee before the close of the scratch box for that day's events to be seeded.

There is no penalty for a missed swim in the 10 & Under age group.

Over Entries

Failure to scratch by appropriate deadlines will result in the swimmer being entered in consecutive events, beginning with the first event entered until the maximum has been attained and scratched from all remaining events.

Scratching from Finals

Swimmers qualifying for and not intending to compete in a Consolation or Championship Final have 30 minutes from the reading of the preliminary results to scratch or declare their intention to scratch with the Administrative Referee. A swimmer declaring an intention to scratch must report their final intentions within 30 minutes following their last individual preliminary event.

Any swimmer qualifying for the original Consolation or Championship Final in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet, except as noted in Exceptions below. A declared false start under 101.1.3E or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as failure to compete.

In the event of a withdrawal or barring of a swimmer from competition in the consolation final, the Meet Referee shall

fill the empty lane(s), when possible, with the next qualified swimmer(s). Alternates must report to the deck referee prior to the start of the event to be placed into an open lane.

Where consolation finals have not yet been contested and there is a known withdrawal or barring in the Championship Final, the Referee shall move the fastest qualifying swimmer in the Consolation Final to the championship final and fill the hole in the Consolation Final with the next qualified swimmer, if possible. If the Consolation Final has already been contested, the Championship Final will be swum without filling the empty lane. Alternates will not be placed into the Championship Final.

SUNDAY ONLY: Swimmers qualifying in the top 16 places of the preliminary results who do not scratch by the appropriate deadline and fail to compete in the Consolation or Championship Final will be assessed a \$50 fine, unless one of the Exceptions for failure to compete are met. The fine is per swimmer, regardless of the number of events missed that finals session. Violations will be forwarded by the host team to the ISI office, who will then notify violators and collect fines. Half of each fine will be paid to the host club and the other half retained by ISI.

Exceptions for Failure to Compete

No penalty shall apply for failure to withdraw or compete in an individual event if:

- the Meet Referee is notified of an illness or injury and accepts the proof thereof.
- it is determined by the Meet Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
- a first or second alternate does not report.
- a swimmer originally finishes outside of the top 16 places in the preliminary results and is scratched into the finals heats.

RELAYS

Relay only swimmers and alternates not competing in individual events must appear on the team entry report. No swimmer will be allowed to swim unless his/her name is on the entry report.

Proof of relay times shall be the aggregate of any four individual swimmers eligible to compete for your team or an actual attained time by a relay team from your team designated "A", "B", "C", etc.

Relay cards will be due to the Administrative Referee one hour prior to the scheduled start of the relay event.

There will be no positive check-in for relays. All relays will be assumed to be swimming unless scratched by the applicable scratch deadline.

Teams entered in the 11-12 200 Freestyle Relay, 11-12 200 Medley Relay, and the 13-14 400 Freestyle Relay may declare

to swim in the preliminary session with the Clerk of Course by the applicable scratch deadline. The top 8 seeded relays not declaring a preliminary swim in these relays will swim in the evening finals session.

SCORING

Individual events are scored to 16 places as follows:

20-17-16-15-14-13-12-11

9-7-6-5-4-3-2-1

Relay events are scored to 16 places with point totals double the individual event places.

AWARDS

Medals will be awarded for 1st-8th place and ribbons for 9th-16th place in all individual and relay events.

Individual high point awards will be presented for the top scoring girl and boy in the 10 & Under, 11-12, and 13-14 age groups.

Team awards will be presented to the highest scoring team in each age group and gender, as well as for 1st-10th place in combined team scoring.

In the evening sessions, award ceremonies shall be conducted in a manner that does not excessively delay the meet. An awards schedule will be printed in the finals heat sheet.

In the 10 & Under sessions, awards will be presented following each boys event for the preceding boys and girls events. An awards schedule will be printed in the 10 & Under heat sheets.

Any unclaimed awards at the end of the meet will be sent to the IN Swimming office. Teams will have to make arrangements for shipping or pick-up with the office.

TIME TRIALS

Time trials will not be offered.
