It is understood and agreed that USA Swimming shall be free from any liabilities or claims for damages arising by reason or injuries to anyone during the conduct of the event. No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302.

At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down. The Meet Director or Meet Referee may assist in making arrangements for such supervision, but it is the swimmer's responsibility to make arrangements prior to the start of the meet.

Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

In swimming competitions, the competitor must wear only one swimsuit in one or two pieces except as provided in USA Swimming rule 205.10.1. All swimsuits shall be made from textile materials. For men, the swimsuit shall not extend above the navel nor below the knees, and for women, shall not cover the neck, extend past the shoulder, nor extend below the knee.

Deck changes are prohibited.

Operation of a drone, or any other flying apparatus, is prohibited over the venue (pool, athlete/coach areas, spectator areas, and open ceiling locker-rooms) any time athletes, coaches, officials and/or spectators are present.

Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and individuals with underlying medical conditions are especially vulnerable.

Safe Sport 360: The Minor Athlete Abuse Prevention Policy prohibits Adult Participants (as defined) from having one-on-one interactions with minor athletes which are not within an observable and interruptible distance from another adult. Adult Participants are required to abide by this policy in full during this meet.

Pursuant to USA Swimming Rules and Regulations and federal law, it is every member's responsibility to immediately (i.e., within 24 hours) report any incident of child abuse, including physical or sexual abuse, to law enforcement and the U.S. Center for SafeSport. Reporting must occur when an individual has firsthand knowledge of misconduct or where specific and credible information has been received from a victim or knowledgeable third party. A report to the U.S. Center for SafeSport may be made via telephone at 833-5US-SAFE (833-587-7233) or online at www.uscenterforsafesport.org/report-a-concern. MEET CONDUCT

RULES

The meet will be conducted in accordance with USA Swimming and Indiana Swimming rules and regulations.

PRE-SCRATCH TIMELINES

Pre-scratch timelines for prelim sessions will be posted on the Summer Championship page at www.inswimming.org on Wednesday, 19, 2023. Timelines posted are only approximations to be used for general planning purposes. The actual meet session timelines may vary from what is posted. Athletes and coaches are responsible to adhere to all meet deadlines and competition/event starting times.

PRE-SCRATCH TIMED FINALS PRELIMS PSYCH SHEET

A pre-scratch prelims Psych Sheet for timed final and relay events. This shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. This is to be used for planning purposes, as scratches will alter the final seeding. Note that distance swimmers may check-in and elect to swim during the prelim session. The top 8 submitted 1000 Freestyle times not designated as a prelim swim will swim in finals. Swimmers seeded in the top 16 are asked to declare an intention to swim in preliminary heats if desiring to do so.

COACH SCRATCH BOX RESPONSIBILITY

All scratches for individual events, regardless of reason, must be made at the Scratch Table by:

Friday Prelims	1 hour prior to the start of the Friday prelims session
Saturday Prelims	30 minutes after the start of the Friday finals session
Sunday Prelims	30 minutes after the start of the Saturday finals session
10 & Under Sessions	1 hour prior to the start of the 10 & Under session

Coaches must sign their names on the Scratch Forms.

The money for scratched events is not refundable.

OVER ENTRIES

Failure to scratch by appropriate deadlines will result in swimmer being entered in consecutive events, beginning with the first until the maximum has been attained and scratched from all remaining events.

SEEDING OF INDIVIDUAL EVENTS

Seeding order: Long Course Meters-Short Course Meters-Short Course Yards (L-S-Y). Times must be submitted in the course in which they were swum and may not be converted.

In individual events other than the 800 and 1500 Freestyles, the swimmer is assumed to be swimming unless he/she has been scratched.

Entrants in timed final events that have the top 8 seeded swimmers competing in finals not requiring positive check in (11-12 and 13-14 400 Freestyle, 13-14 400 IM, and 11-12 200 strokes) may declare a preliminary swim with the Clerk of Course prior to the applicable scratch deadline. Swimmers who are ranked in the top 16 are asked to note their preference for a preliminary swim in these events.

Per USA Swimming rule 207.11.7, entrants in the 800 and 1500 Freestyles must check in with the Clerk of Course and confirm their intention to compete before the scratch deadline for the event to be seeded. During check-in for the 800 and 1500 Free, entrants may designate a preference to swim the event during prelims by marking an AM next to their name. Individuals failing to check-in may present themselves to the Meet Referee or his/her designee requesting to swim and may be placed only as there are existing open lanes in the slowest heat per gender.

After the Psych Sheet is published to the ISI website on Wednesday July 19, any swimmer entering as a late entry shall not be seeded in the top 8 of the entered event. The swimmer will be seeded by their entry time, but no higher than 9th place.

SCRATCH PROCEDURES - INDIVIDUAL EVENTS

National scratch procedures, USA Swimming rule 207.11.6, will be observed. Additions and modifications are noted below.

Preliminary Heats

In all events where preliminary heats are necessary and in any timed final event, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which they are entered and have not been scratched in accordance with the above deadline will be barred from all further individual events of that day. This does not bar an individual who has qualified earlier in the session for a consolation or championship final from swimming in that final. The application of this penalty shall pertain to the order in which the event/heats are contested, not the numerical order of the events.

Additionally, that swimmer shall be scratched from any individual events on succeeding days unless that swimmer or the swimmer's coach declares the swimmer's intent to swim prior to the close of the scratch box for that day's events, or within 30 minutes of the missed event.

Scratching from Finals

- Swimmers qualifying for and not intending to swim in a consolation or championship final have 30 minutes from the reading of the results to scratch from that final with the Administrative Referee.
- Any swimmer qualifying for the original consolation or championship final race in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet except as noted in Exceptions below. A declared false start under 101.1.3E or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as a failure to compete.
- In the event of a withdrawal or barring of a swimmer from competition in the consolation or championships finals, the Meet Referee shall fill the empty lanes(s), when possible, with the next qualified swimmer(s). Alternates must report to the deck referee prior to the start of the event to be placed into an open lane.
- Where the consolation final has not yet been contested and there is a known withdrawal or barring from the

Hosted by Indiana Swimming

championship final, the Referee shall re-seed the consolation and championship finals, filling all lanes in the championship final, inserting alternates into the consolation final. An open lane in the consolation final will be filled with an available alternate without reseeding.

SUNDAY ONLY: No-shows or not scratching according to the rules by the appropriate deadlines (Exceptions for failure to compete), for a consolation or championship final will result in a \$50 fine per swimmer regardless of the number of events missed that finals session. The fine shall be assessed to the swimmer. Host team will forward violations to the ISI office. ISI office will notify violators and collect fines. ISI office will send \$25 per fine collected back to host team.

Exceptions for Failure to Compete

No penalty shall apply for failure to withdraw or compete in an individual event if:

- The Referee is notified in the event of illness or injury and accepts the proof thereof.
- A swimmer qualifying for a consolation or championship final race following the preliminaries notifies the Administrative Referee within 30 minutes after announcement of the qualifiers for that final race that he may not intend to compete and further declares his final intentions within 30 minutes following his last individual preliminary event.
- It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
- A first or second alternate does not report.

RELAYS

Entry Forms

Relay only swimmers and alternates not competing in individual events must appear on the team entry report. No swimmer will be allowed to swim unless his/her name is on the entry report.

Relay Time Standards

The qualifying standards are listed in the Time Standards section. Proof of time shall be the aggregate of any four individual swimmers eligible to compete for your team or an actual attained time by a relay team from your team designated – "A", "B", "C", etc.

Relay Cards

All relay cards must be submitted at least 1 hour before the relay event is scheduled to start.

Relay Seeding

Entrants in all relays must check in at the Clerk of Course and confirm their intention to compete before the scratch deadline for the event to be seeded. During check-in for relays, entrants may designate a preference to swim the event during prelims by marking an AM next to the relay name. The top 8 seeded relays not declaring a preliminary swim will compete in the finals session, with the balance of the relays swimming in prelims, fastest to slowest. Relays failing to check-in may present themselves to the Meet Referee or his/her designee requesting to swim and may be placed only as there are existing open lanes in the slowest heat per gender.

All relays will be swum as timed finals; refer to Meet Format for specifics.

After the Psych Sheet is published to the ISI website on Wednesday July 19, any relay entering as a late entry shall not be seeded in the top 8 of the entered event. The relay will be seeded by their entry time, but no higher than 9th place.

SCORING

Individual events are scored to 16 places as follows: 20-17-16-15-14-13-12-11

9-7-6-5-4-3-2-1
